

# Fall 2014 SOAR Course Locations and Parking Info (update: 09-19-14)

FOR MORE DETAILS (*descriptions, directions, parking info, maps, and photos*) go to the

“LOCATIONS” section of the SOAR web site: [www.soarnorthcountry.org](http://www.soarnorthcountry.org)

**NOTE: changes are in red**

**SUNY Potsdam – Campus Layout and Parking:** [www2.potsdam.edu/campusmap](http://www2.potsdam.edu/campusmap) (*provides a link to the university's interactive map showing building shapes, names and locations; use tab at top to link to parking map*)

**LAYOUT NOTE:** SUNY classroom buildings are largely situated in a square, with the library sitting in the center of the inner quad. At each corner of the quad, you will find an open-arched walkway between the corner buildings. You can also “cut through” some buildings to get to the other side; and in many cases walk through adjacent buildings. There is one large open gap in the quad: a statue of Minerva stands there, looking at the main entrance to the Barrington Student Union across the street. Crane Music Center, with its (now) 3 theaters, own library and several classroom buildings, sits by itself, across another campus street from the outside edge of the quad. Maxcy Hall (sports complex) sits at the edge of campus by itself with its own parking areas. The SOAR office—and one of our smaller classrooms—share an office building on the backside of Van Housen dorm (the SOAR office is two floors above the University Police offices). **PARKING NOTES:** Please give yourself extra time for parking and walking to your SUNY classrooms. **Parking reminders:** 1) write your plate # on the permit; 2) park only where visitors are permitted; 3) always display your permit on your review mirror when on campus; 4) your permit is valid through August 31, 2015.
