SUNY Potsdam – Campus Layout and Parking: www2.potsdam.edu/campusmap *(provides a link to the university's interactive map showing building shapes, names and locations; use tab at top to link to parking map)*

LAYOUT NOTE: SUNY classroom buildings are largely situated in a square, with the library sitting in the center of the inner quad. At each corner of the quad, you will find an open-arched walkway between the corner buildings. You can also “cut through” some buildings to get to the other side; and in many cases walk through adjacent buildings. There is one large open gap in the quad: a statue of Minerva stands there, looking at the main entrance to the Barrington Student Union across the street. Crane Music Center (with its 2 theaters, own library and two main classroom buildings) sits by itself, across another street from the outside edge of the quad. Maxcy Hall (sports complex) sits at the edge of campus by itself with its own parking areas. The SOAR office—and one of our smaller classrooms—share an office building on the backside of Van Housen dorm (the SOAR office is two floors above the University Police offices). **PARKING NOTES:** Please give yourself extra time for parking and walking to your SUNY classrooms. **Parking reminders:** 1) write your plate # on the permit; 2) park only where visitors are permitted; 3) always display your permit on your review mirror when on campus; 4) your permit is valid through August 31, 2014.

SOAR Course Locations on the SUNY Potsdam Campus

Barrington Student Union MPR *(second floor; back side)*. Site of the spring luncheon *(parking info coming later)*. Use the main entrance (which faces the statue of Minerva); go straight up the staircase *(taking the left branch)*; to second floor; turn right at the corridor; and walk straight back to the MPR (multi-purpose-room). To use the elevator: from the main entrance, take the right-hand hallway to the restrooms alcove; the elevator is just to the right of the “men’s room” door; once upstairs, work your way back to the front of the building and cross over to the other corridor; turn right, then straight to the MPR.

Crane Music Center: Hosmer Hall *(main auditorium)* and **Wakefield Recital Hall** *(second floor of Bishop Hall)*—Park in the Hosmer end of Lot #9 (nearest Hosmer Hall). Enter **Hosmer Hall** by the main doors which face the adjoining parking lot. To get to **Wakefield Recital Hall** instead of entering Hosmer Hall, stay outside and walk up the long left outside ramp. Once on the second level, enter the first door on the left. The entrance to Wakefield Recital Hall is in front of you, just beyond the staircase.

Kellas Hall 217 *(second floor, door to room faces lot #6)*. Park in lot #2 (or #6 behind the building). Enter at the corner archway door (from lot #6, enter the back door, turn right to enter Kellas). Take the stairs or elevator (in the Kellas vestibule near the back door) to the second floor; 217 (“distance learning”) is around the corner, the first door on the left. **Please watch the single step when you enter and exit room 217!**

Maxcy Hall. Park in lot #30 or #27 (**NOT** lot #29, the row closest to the building). Upon entering, **Field House** *(ground floor)* is immediately on the left. To get to Room **104** *(ground floor)*: after entering, bear right and go to far end of the corridor and turn left; **104** is the first room on the right. To get to the **Dance Studio** and **Fitness Center** *(both on 3rd floor)*: after entering, bear right; take first stairs on the left to 3rd floor *(or use the elevator at far end of the corridor)* - the **Dance Studio** is near the parking lot end; the **Fitness Center** is at the far **(elevator)** end of the corridor.

Morey Hall 117 *(windows face Flagg)*. Park in lot #1 (or #2). Enter Morey at the Morey-Flagg corner. Once, inside follow the corridor straight to its end and turn right. Morey 117 is on the right, near the end of this short corridor.

Satterlee Hall 300 and 314 *(both on the 3rd floor)* Park in lot #1 (or #2). Enter the quad from the Flagg/Morey corner. Enter Satterlee from the quad using the clock tower entrance. Once inside Satterly, use the stairs (in the center or at one of ends of the building); **elevators** are found in the alcoves at either end of the long corridor. **Satterlee Hall 300** is at the right end of the building closest to Flagg; **314** *(the art room)* is somewhat near the outside end of the building **Alternative path:** walk inside through Flagg to Satterly - *involves using stairs*. Enter Flagg at the outside archway corner and take the stairs (or nearby elevator across from the door) up a half flight to the second floor. Walk through Flagg and enter Satterlee by going into the history of SUNY Potsdam display area. At the far end of the displays, take the elevator or stairs to the third floor. Room **300** (computer lab) is immediately on the left; **314** is on the left, down almost to the end of the long corridor.

Stowell Hall 211 *(main floor)*. Park in lot #1 or #2. Cross the quad, heading towards the middle of the opposite side (toward the statue of Minerva). Enter Stowell Hall (on your left): **211** is the huge tiered lecture hall immediately on your right.
