

Spring Semester, 2018

Dear SOAR Member:

SOAR is pleased to announce the Spring 2018 program of courses and events designed for life-long learners. You will find the course booklet and associated documents in this packet. SOAR's spring schedule is enclosed to help you plan your personal calendar. Please remember to complete **both sides** of the **Registration Form** and the **Ambassador Interest Form**. We appreciate you sharing your email address with us as we will use email announcements when necessary.

Please return forms to:

SOAR  
382 Van Housen Extension  
SUNY Potsdam, 44 Pierrepoint Ave.  
Potsdam, NY 13676

**To retain campus privileges, a SOAR member is expected to register for and attend at least one course each semester.** This spring's courses and privileges are included in your yearly membership that was paid in the fall of 2017. Only your selections of special events will be added costs.

Please use the **parking permits** sent to you last semester. Continue to use them until August 31, 2018. Your SOAR **name badge** from last fall is your membership card which allows you entrance to campus facilities. We like to learn each other's names by wearing name badges to class. *Please wear yours.*

The SOAR office is staffed on Monday, Wednesday and Friday from 9:00 am to 2:00 pm. You can send an email to **soar@potdam.edu** or leave a voice mail when no one is in the office.

Please visit our website regularly for up-to-date information on courses and events. Course booklets, course lists, calendars, parking/location information, and registration forms are also available on our website: [www.soarnorthcountry.org](http://www.soarnorthcountry.org)

We hope you enjoy the spring semester.
