

St. Lawrence University *(in Canton)*

Directions to: Carnegie Hall 114

From the East:

Enter the St. Lawrence University campus in Canton via the main entrance on Main Street (US Hwy 11). It is located to the east of downtown in the direction of Potsdam. The entrance is marked by three flagpoles and a sign for the University.

Drive up the entrance road (Romoda Drive) past the first buildings. Pass the large parking lot on the right (Lot H) and proceed straight until the road is forced to turn to the right. Instead of turning right, turn left and go through the gate into the large parking area near Gunnison Chapel (Building 50 on the map).

PARKING: Park as far down into the lot as you can (*across from the Chapel*). You do not need a permit to park in this lot.

CARNEGIE 114: Carnegie Hall (Building 51 on the map) is the modernized red brick building to the left of the Chapel. After entering the building take the short staircase (10 stairs) to the left up one half flight (or take the elevator to the first floor). Room 114 is the first room **on your left**.

From the South and West:

From Main Street (US Hwy 11), turn onto **Park Street** and follow it across the railroad tracks. Turn left onto **University Ave** (*the second street past the tracks*). Follow University Avenue uphill to the first right turn to enter the campus.

Drive straight ahead through the gates into the parking lot next to Gunnison Chapel (Building 50 on the map). You do not need a permit to park there. Follow the **PARKING** and **CARNEGIE 114** directions above.
