SOAR is always interested in finding new presenters and interesting courses for its members.

Do you or someone you know have a talent or area of expertise they would like to share with SOAR members?

What suggestions do you have for future courses ? _____

SOAR AMBASSADORS

One reason SOAR courses run smoothly is that every course has a class member who serves as an ambassador. The ambassador plays a simple but important role including: greeting class members, taking attendance, introducing the presenter and assisting the presenter during class, if needed.

An ambassador is needed for **each** of the 51 of courses SOAR is offering this semester. Please consider volunteering to serve as an ambassador.

A member of the Ambassador Committee will contact volunteers to confirm their availability, answer questions and provide a set of simple instructions.

Please complete the form below to express your interest and return it with your registration form.
