**Fall Semester, 2019**

Dear Friend:

We are excited that you are interested in the SOAR program, the local member-run organization of lifelong learners.  Our courses are designed with the interest of seniors in mind.  The participants are intellectually active people who want depth and variety, stimulation and challenge.  Since SOAR began in 2001, we have grown to over 400 members.

If you decide to become a member, the September 2019 through August 2020 membership fee is **$75.00**.  As a member you are expected to **register and attend at least one course a semester.** Each year we offer a wide selection of courses during the fall semester *(September—November)* and spring semester *(March—May)*.  Your membership also entitles you to campus parking, library privileges at SUNY Potsdam and use of the Maxcy Hall facilities.

For your convenience, enclosed you will find a course booklet, registration form and other pertinent information to help you select courses that interest you and plan your personal calendar.  Please make out your check for **$75.00** to **PACES 235**, attach it to your completed *two-sided* registration form and send it to:
