- Sign up for at least one course and plan to attend regularly.

- Closed courses and other changes are posted on the SOAR website www.soarnorthcountry.org.

** Courses with double asterisks have an extra fee that needs to be sent with this registration form. Please include a separate check made out to the Presenter with the Course Name in the memo line.

SOAR AMBASSADORS

One reason SOAR courses run smoothly is that every course has a class member who serves as an ambassador – a liaison who facilitates communication between the SOAR office and the presenter. The ambassador plays a simple but important role: greeting class members, taking attendance and keeping them informed of course details.

Members are normally asked to act as ambassador for only one course per semester. We will review the class lists and the members who have volunteered to be an ambassador. If you are designated an ambassador, you will be contacted to confirm your availability. You will then receive a set of instructions, along with the presenter's contact information and a list of class members.

Please complete the form below to express your interest and return it with your registration form.

We appreciate your willingness to serve as ambassador.

Sincerely,

The SOAR Ambassador Committee

Note: Members new to SOAR normally do not serve as classroom ambassadors.
